

March 20/1927 The year a Rego of Life
The Life of Key and Master I summoned
up spirits once more to write you
And the Love still fasting forty two
Not old you are young enough for
That your brother won't be angry at
Me when he finds out who I am in bed
They are both pretending very much
So, no. in bed. he can think of nothing
Else after a while as good as the best
X ask a policeman. deny him nothing
Humor his whims and all will be
Well. yes. Since it is you you have got
The best mystic fortune teller
Write you a real Love Letter you
Will be yourself the recipient of
The benefits Mrs. Frances Stevens had
Henry Burdock lewys under calendar
Threatens you with losses in
connection with some scandal
Don't you give me up without your
writing Benjamin or a Letter
Indirect to Benjamin or celery you
Must not be so suspicious of
Benjamin or and his better looking
Lawson you don't be in a hurry to
Accept either most of the time
If you pay attention to Benjamin or
your w Letter finger will be a winner
of many things Riches for they are
